

## CAT Supported Computer Labs (Updated Fall 2021)

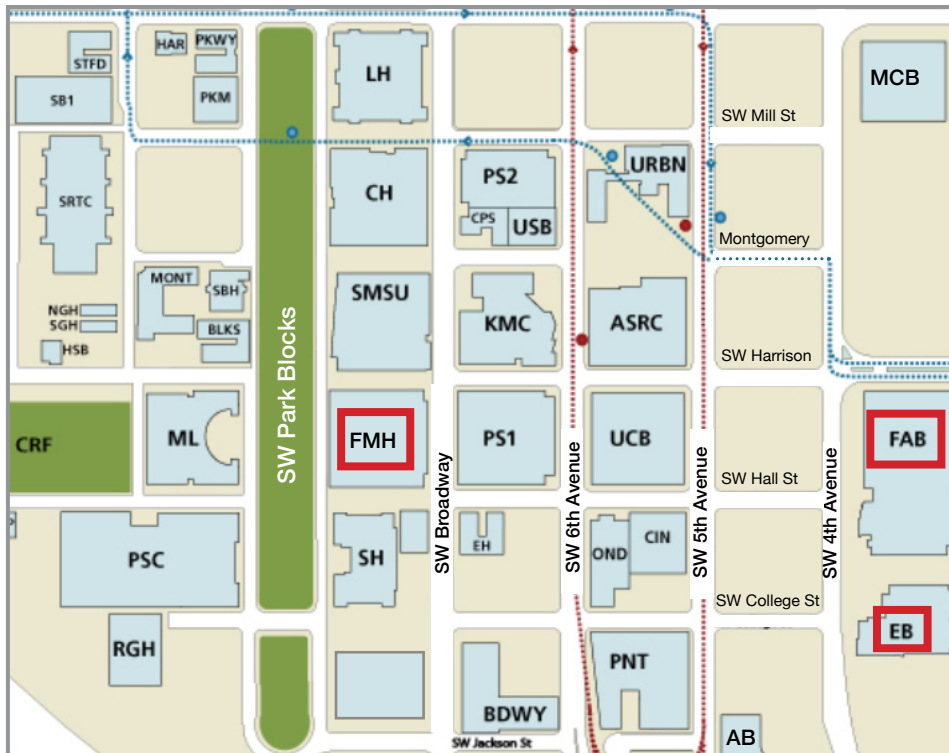

All FAB/EB and its associated labs are available 24x7 with card access.

Location	Platform	Access scheme	Acct Type	Available to
EB 325 MCECS EB General Lab	Windows	Lab and building card access via <a href="http://services.cecs.edu">services.cecs.edu</a>	Windows	All MCECS Students
FAB 55-17 MCECS FAB General Lab	Windows / Linux	Lab and building card access via <a href="http://services.cecs.edu">services.cecs.edu</a>	Windows CECS Linux	All MCECS Students
EB 420 MCAE Lab	Windows	Selective Access granted by MME	Windows	MME Students
FAB 60-01 ECE Tektronix Lab	Windows	Lab and building card access via <a href="http://services.cecs.edu">services.cecs.edu</a>	Windows	ECE Students
FAB 88-09 CS Linux Lab B (Particle Lab)	Linux	Card Access by CS Tutors (FAB 88) or <a href="http://services.cecs.edu">services.cecs.edu</a>	CS Linux	CS Students
FAB 88-10 CS Linux Lab A (Penguin Lab)	Linux	Card Access by CS Tutors (FAB 88) or <a href="http://services.cecs.edu">services.cecs.edu</a>	CS Linux	CS Students

# theCAT INFORMATION TECHNOLOGY GUIDE

A quick guide to  
policies, information  
and resources for  
PSU students

**theCAT COMPUTER ACTION TEAM**  
MASEEH COLLEGE OF ENGINEERING  
& COMPUTER SCIENCE (MCECS)  
[CAT.PDX.EDU](http://CAT.PDX.EDU)

## TheCAT is Your Main IT Support Provider in the Maseeh College of Engineering & Computer Science (MCECS)

We deliver user support and technical services to most college specific resources (computer labs, file servers, printers, web servers, databases, VPN, wired and wireless networking, etc). You will need an MCECS Computer Account to access most of these services.

### Your MCECS Account is SEPARATE from Your Odin Account

Odin Accounts are provided by OIT (Office of Information Technology) which handles central IT services for the campus. Your Odin Account is needed to access general campus resources such as general computer labs in non-MCECS buildings, Wifi, PSU Google Mail, D2L/Canvas, and Banweb. **For Odin Account details:** [pdx.edu/technology](http://pdx.edu/technology)

### Getting Card Access to MCECS Computer Labs

#### 1. Get a PSU ID/Access Card

If you do not already have a PSU ID/Access card, please visit ID Services to get one.

**For details:** [pdx.edu/student-finance/id-cards](http://pdx.edu/student-finance/id-cards)

#### 2. Activating your PSU ID for MCECS Computer Labs

Request keycard access using your MCECS account on the self-service portal. [services.cecs.pdx.edu](http://services.cecs.pdx.edu)

### How to Contact TheCAT

(The Computer Action Team)

**Web site:** [cat.pdx.edu](http://cat.pdx.edu)

**E-mail:** [support@cat.pdx.edu](mailto:support@cat.pdx.edu)

**Phone:** 503.725.5420

**Online Chat:** [cat.pdx.edu/chat](http://cat.pdx.edu/chat)

### Front Desk for In-person Visits:

(please check TheCAT website for schedules)

**FAB 82-01 — TheCAT Main Front Desk**

### Getting an MCECS Computer Account

After registering for an MCECS class or going through MCECS student orientation, you will get an email notifying you that your MCECS account is ready to be activated.

#### • Online Method:

Visit CRAM (CAT Remote Account Manager) at: [intranet.cecs.pdx.edu/cram](http://intranet.cecs.pdx.edu/cram)

For more information on how to use CRAM, go here: [cat.pdx.edu/users/computer-accounts/using-cram/](http://cat.pdx.edu/users/computer-accounts/using-cram/)

#### • In Person:

Have picture ID on hand and visit TheCAT Front Desk in FAB 82. Account creation turnaround can be up to 15 min.

### Want to Change Your Password?

Use your existing password to change your MCECS Windows and Linux password at:

[intranet.cecs.pdx.edu/password](http://intranet.cecs.pdx.edu/password)

### Want to Reset Your Password?

Use your Odin Account password to reset your MCECS password with CRAM: [intranet.cecs.pdx.edu/cram](http://intranet.cecs.pdx.edu/cram)

You can also reset your MCECS password by visiting TheCAT front desk with Picture ID.

### Email Access

Use your @pdx.edu PSU Google Account for email. MCECS does not provide an email inbox. For information about email services:

[cat.pdx.edu/services/mail](http://cat.pdx.edu/services/mail)

### Software for Students

Select software may be installed on personal devices by MCECS users. Not all the listed products are available to students. **For details:** [cat.pdx.edu/user-software](http://cat.pdx.edu/user-software)

### Wifi Access

MCECS spaces have access to the following Wi-Fi networks:

- **PSU SECURE:** Preferred encrypted connection (use your Odin Account)
- **PSU GUEST:** Web based authentication
- **EDUROAM:** For use by guests of participating institutions

**For details:** [cat.pdx.edu/wifi/](http://cat.pdx.edu/wifi/)

### VPN Access

Many network services in MCECS need to be accessed using a VPN (Virtual Private Network). Choices are OpenVPN (CAT) or Cisco AnyConnect (OIT).

**For details:** [cat.pdx.edu/vpn](http://cat.pdx.edu/vpn)

### Printing Charges

All users receive a **\$30.00** credit for printing each term. B/W Printer is **8 cents** per side. Color Printer is 50 cents per side, *even if printing B/W*. If you run out of print quota, you can buy more.

**For details:** [cat.pdx.edu/printing](http://cat.pdx.edu/printing)

### Acceptable Use Policy

Use of computing facilities in MCECS is governed by the PSU Computer & Network Acceptable Use Policy.

**For details:** [cat.pdx.edu/psu-policies](http://cat.pdx.edu/psu-policies)

### Mask Policy

PSU requires masks or face coverings to be worn while indoors on campus. Users should also maintain social distancing when possible.

[pdx.edu/covid-19-response/students](http://pdx.edu/covid-19-response/students)

### Food & Drink Policy In MCECS Computer Labs

Per PSU policy, eating and drinking is prohibited inside the labs.
